Agenda item type: Action item

### Summary

This action is related to executing a contract with the Regional Transportation District to receive funding for the vanpool services provided by the Denver Regional Council of Governments through its Way to Go program.

### Background

The Denver Regional Council of Governments, through its Way to Go program has administered commuter vanpool services in the Denver region since 1992. The Regional Transportation District supports the Way to Go vanpool services by providing funding to subsidize the fares commuters pay to participate in the vanpool program. Vanpooling complements transit services, particularly for low volume peak travel times and dispersed commute travel. DRCOG staff estimates \$684,000 will be needed in 2025 for passenger fare subsidies for Way to Go vanpool services. This action will authorize the Executive Director to execute a contract with the Regional Transportation District to receive these funds.
