

Board of Directors

Meeting date: December 18, 2024

Agenda Item #: 8 – B

2025 Policy Statement on State Legislative Issues

Agenda item type: Consent agenda

Summary

This item concerns approval of the 2025 Policy Statement on State Legislative Issues.

Background

Each year, the Board adopts two policy statements on a range of specific state and federal legislative issues. These documents provide the DRCOG Board, staff and lobbyists with policy direction on legislative issues during the coming year. The Draft 2025 Policy Statement on State Legislative Issues was provided to Board members at the November Board meeting for review. DRCOG staff did not receive any suggested revisions.

Also note the attached Legislative Principle Statement. It lays out the Board's general guidelines for the types of issues to be considered for positions. These particularly focus on issues with a specific significance to the Denver region; a unique effect upon local governments in this region; or a specific effect on DRCOG.
