Meeting date: January 15, 2025

Agenda Item #: 8 – C

Draft 2025 Policy Statement on Federal Legislative Issues

Agenda item type: Consent agenda

Summary

This item concerns approval of the *Draft 2025 Policy Statement on Federal Legislative Issues*.

Background

Each year, the Board adopts two policy statements on a range of specific state and federal legislative issues. These documents provide the DRCOG Board, staff and lobbyists with policy direction on legislative issues during the coming year.

The *Draft 2025 Policy Statement on Federal Legislative Issues* was provided to Board members at the December Board meeting. After a significant rewrite of the paper last year, staff recommended mostly clarifying edits. Two pronounced edits include a reference to the decarbonization program and a new section the Comprehensive Economic Development Strategy. Staff has not received any suggested changes to the draft.
