Resolution No. 49, 2024

A resolution authorizing the Executive Director to negotiate and execute a contract with Mead & Hunt for the 92nd Avenue Corridor Study in an amount not to exceed \$200,000 and a term of 14 months from the date of contract execution.

Whereas, this study is part of DRCOG's fiscal year 2024-2027 Transportation Improvement Program community-based transportation planning set-aside program which focuses on supporting member governments to improve mobility for historically underserved communities; and

Whereas, the 92nd Avenue corridor study will look at an approximately one mile stretch of 92nd Avenue between Federal Boulevard and Pecos Street; and

Whereas, DRCOG conducted a competitive bidding process and a selection committee of staff from DRCOG and the City of Federal Heights determined that Mead & Hunt had the best proposal; and

Whereas, the selected consultant has demonstrated qualifications developing corridor plans, specifically focused on pedestrian safety and multimodal connectivity; and

Whereas, DRCOG executed a contract with CDOT in September 2024 to accept \$1.25 million of funds from the 2024-2027 Transportation Improvement Program for the community-based transportation planning set-aside program for federal fiscal years 2024-2025, of which \$200,000 is budgeted for the 92nd Avenue Corridor Study.

Now, therefore, be it resolved that the Finance and Budget Committee authorizes the Executive Director to negotiate and execute a contract with Mead & Hunt for the 92nd Avenue Corridor Study in an amount not to exceed \$200,000 and a term of 14 months from the date of contract execution.

Resolved, passed, and adopted this 18th day of December, 2024 at Denver Colorado.

Richard Kondo, Chair
Finance and Budget Committee
