**Whereas**, the Sheridan corridor is a 9.5 mile stretch of state highway between Interstate 76 and Hampden Avenue that spans and divides six different local municipalities; and

**Whereas**, DRCOG conducted a competitive bidding process and a selection committee of staff from DRCOG, the City and County of Denver, Town of Mountain View, City of Lakewood, and Colorado Department of Transportation (CDOT) determined that Consor had the best proposal; and

**Whereas**, the selected consultant has demonstrated qualifications developing corridor plans, specifically focused on improving safety and multimodal mobility; and

**Whereas**, DRCOG executed a contract with CDOT in June 2024 to accept \$1.5 million of funds from the 2024-2027 Transportation Improvement Program for the corridor planning set-aside program for federal fiscal years 2024-2025, of which \$500,000 is budgeted for the Sheridan Corridor Safety Study.
