Finance and Budget Committee

Resolution No. 12, 2025

A resolution authorizing the Executive Director to negotiate and execute a contract with ImageX for website development services for the building decarbonization program, in an amount not to exceed \$199,900 through April 30, 2026.

Whereas, DRCOG received a \$199.7 million grant from the U.S. Environmental Protection Agency's Climate Pollution Reduction Grant program to implement a regional building decarbonization initiative; and

Whereas, the program needs an accessible and user-friendly website to provide information to the public, contractors, jobs-seekers, jurisdictions, and other interested parties; and

Whereas, the program includes a budget of \$500,000 for website development services to develop and maintain a building decarbonization website through the life of the program; and

Whereas, DRCOG conducted a competitive bidding process administered by a selection panel consisting of subject matter experts from DRCOG's building decarbonization and communications program and municipal staff that participated in the development of the Climate Pollution Reduction Grant; and

Whereas, the selection panel determined that ImageX submitted the best overall proposal that demonstrated their experience, capability, understanding and resources to successfully deliver the required services.

Now, therefore, be it resolved that the Finance and Budget Committee authorizes the Executive Director to negotiate and execute a contract with ImageX for website development services for the building decarbonization program, in an amount not to exceed \$199,900 through April 30, 2026.

Resolved, passed, and adopted this 19th day of March 2025 at Denver Colorado.

Jeslin Shahrezaei, Chair
Finance and Budget Committee
Denver Regional Council of Governments

ATTEST:

Douglas W. Rex, Executive Director
